Day 4

These are the days where the spirit of Africa touches your soul. We embark on leisurely extended game drives to all areas of Hluhluwe Game Reserve. There is much to explore! Your experienced ranger will help you spot and identify many species of bird and animal life. (The Elephant Coast has more than 500 species of birdlife recorded). With a little assistance most people will be able to distinguish the more common families of birds in no time at all. Look out for the abundant animal life such as black rhino, nyala, kudu, hippo, crocodile, waterbuck, reedbuck, red duiker, baboons, monkeys, hyena, wildebeest, giraffe and often to be seen elephant and buffalo. You may also see lion, cheetah, wild dog and other predators. Time will be spent in the Hluhluwe side of the game reserve and on other days will be spent enjoying the Umfolozi side of the game reserve.

Day 6

Elephant Interaction- A unique and wonderful experience in the heart of Zululand where you get close and interact with these powerful but gentle creatures. Guests seeking deeper meaning to their visit have close contact and interaction with these elephants. Although little can match the thrill of seeing wild elephants in Hluhluwe Game Reserve, guests are also afforded an opportunity of close contact with 2 mature elephant that were orphaned and hand reared but are now free to range in a private game reserve that is over 2 500 hectares. These two elephant come up to visit the viewing area each morning, for a welcome snack of game pellets. Here you will be able to interact with them in well controlled situations and also enjoy suburb interpretation of the elephant species, which is enlightening and clearly shows the care and concern that is shown. Lunch at local restaurant. Afternoon- **Visit to Cat and Cheetah Rehabilitation Centre** Join us for an up close and personal tour and learn more about South Africa's endangered wild cat species. Come and be mesmerized by the beauty of the Caracal (Lynx), enchanted by the playful Serval, astonished by the speed and agility of the Cheetah and delighted by the African Wildcat. View and photograph these amazing animals at this Centre. There are educational tours daily, with feedings during the afternoon tour and an informative talk about the animals The aim of this Centre is to care for the cats which have been orphaned or injured in the wild and are in need of care and rehabilitation. Other attractions include Ilala Weavers with its restaurant where you will enjoy (Leopard Walk Lodge, Hluhluwe)(B)

Day 7

We head to St Lucia, is a picturesque village situated within a nature reserve and which is surrounded by 5 distinct ecosystems and iSimangaliso Wetland Park. Dinner at leisure at one of numerous restaurants in village. Afternoon safari boat trip on accessible boat with sightings of hippos, crocodiles and birds in the estuary. (B)(4 star guest house, St Lucia)

Day 8 and 9

Explore markets in the village and the wild beaches.

Safari at Cape Vidal Game Reserve with Rhino, Waterbuck, Kudu and many other species of wildlife. Cape Vidal is part of the Isimangaliso Wetland Park- a World Heritage Site incorporating beautiful game reserves with wild beaches. With luck you will spot hippos (who are nocturnal mammals) grazing at night in the village gardens!
